1. Corrected version of "Amendment To The Claims" section (pages 3-19) of Applicant's "Response To Second Office Action" filed on July 12, 2003.

The enclosed document replaces all bracketed portions of the amended claims with strike through markings per 37 C.F.R. 1.121. As stated in the first paragraph of the Notice of Non-Compliant Amendment (copy enclosed for convenience), only the section of Applicant's previously filed Response containing non-compliant provisions is being resubmitted (in its entirety).
